Child Passenger Safety

Did you know Milford Ambulance Service offers Car Seat Checks?

MAS now has two Nationally Certified Car Seat Technicians.

Who can benefit from a car seat check?

- Expectant parents
- Anyone with a child in a car seat or booster seat.
- If you purchase a new car seat, booster seat or have questions on when you should make the next step up for your growing child.

This service is free! So give us a call to schedule your car seat check today. Give us 45 minutes of your time, your car, your vehicle owner's manual, your car seat user's manual and your child.

Call us at (603) 249-0610 to schedule an appointment.

Child Passenger Safety Tips

- **Infants** – Use a rear-facing car seat to at least 1 year of age and 20 lbs. Use your rear-facing car seat longer if the seat has higher weight and height limits.
- **Toddlers** – Use a forward facing car seat (convertible or combo seat) until the harness no longer fits.
- **Boosters** – Use a booster seat with the vehicle lap and shoulder safety belts until your child passes the Safety Belt Fit Test.
- **Safety Belts** – Once your child passes the Safety Belt Fit Test, make it a rule to use a safety belt in a back seat on every ride. It's the law in New Hampshire.
